## ABOUT CRAFTSTONE

Craftstone effortlessly blends artistry with functionality. The collection's organic, irregular shapes are inspired by the natural world, thoughtfully designed to compliment beautifully crafted culinary creations. Beacon Grey features a soft off-white grey with intentional speckled imperfections, giving each piece its own unique character. Meanwhile, Ultramarine, inspired by the ocean's vibrant blues, brings a refreshing coastal touch to your table. With unglazed accents and a half-glazed exterior, Craftstone exudes rustic elegance, offering a distinctive charm to elevate any dining experience.
